\*Upon request of water turn-on, the customer understands that they are responsible for ensuring there is no water leaking from the plumbing fixtures or system that could cause damage at the customer's premises when Upson County Utilities turns on the customer's water.

\*Bills are due on the 15th of each month. Balances unpaid by the 15th of each month will receive a \$13 penalty charge. Should the 15th of the month fall on a weekend, holiday, or any other time the office is closed, they will be due the following business day. Penalties will be added to delinquent accounts.

\*Services disconnected for non-payment will automatically receive a \$60 disconnect/reconnect charge. To have services reconnected, the account shall be paid in full including the \$60 charge.

\*Failure to receive the bill will not relieve the customer of the payment obligation.
